

# Questions and Answers about the Centennial Anniversary

Revised July 2018

***Changes will be made as the biennium progresses. District Centennial Coordinators will be a vital source of information for clubs, with the Zonta International Centennial Anniversary Committee working with the coordinators.***

## 1. What is the Centennial Anniversary?

Nearly 100 years ago, founding member, Marian de Forest dreamed of an organization that would bring together women in executive positions and help them reach their rightful places in the professions that rarely had women leaders. Since the creation of Zonta International in 1919, our members have dedicated the last century to empowering women, both in and outside of Zonta. To celebrate these achievements, Zontians around the globe will take part in a two-year celebration to honor the past while heralding the future.

### **Honor and Empower**

Our action motto to ensure visibility across the Zonta world .

It is also the Zonta International Centennial theme.

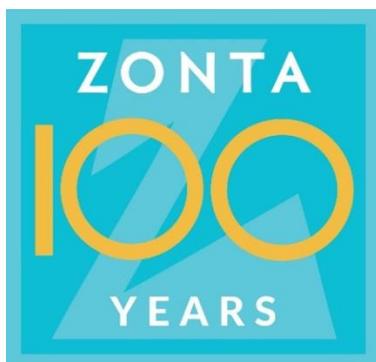

### **Celebrating the entire 2018-2020 Biennium – action milestones**

- Kickoff at 2018 Convention in Yokohama
- District conferences with alumnae events and recognition of centennial awards recipients
- Common action in November 2019
- Special event at CSW 2020
- 2020 Convention in Chicago

## 2. Why do we have a Centennial Anniversary icon?

A special centennial icon can help to draw the attention to the event of our Centennial Anniversary and enhance visibility. Therefore, Ulrike Heuter, a member of the Zonta Club of Düsseldorf II created one that, by its mere color, will create attention. But that attention was not the only criterion. Neurophysiological research on the effects and perception of colors showed that the bright turquoise is linked to feelings of 'enjoyment'.

### 3. Is it mandatory to use the Centennial Anniversary icon?

No. It is up to each club and district whether to use it or not. But if it is decided to work with the icon, clear guidelines apply. The Zonta International Centennial Brand Identity Guidelines are on the ZI website and will be used for the full biennium, that is, from convention at Yokohama until we conclude the celebrations at the 2020 Convention in Chicago.

### 4. When, where and how to use the icon?

The icon can enhance all communication material – from stationery to pull-up banners. Guidelines describe the correct use. In order to help clubs save time and money, templates for the most common purposes are provided on the ZI website. They include the icon files, templates for badges, letterhead, envelopes, banners, note cards and business cards.

Clear guidelines that describe the icon and how it may be used are found on the ZI website:

The site will be dynamic throughout the Centennial Anniversary Biennium.

- Tools to assist clubs and districts will be posted (for example, templates, information about awards and event planning)
- 100 quotes (maybe more) will be posted on the site in 2019

### 6. What stands behind 'Honor and Empower'?

#### Brief introduction to awards

During the centennial biennium, there will be **Centennial Anniversary Awards** honoring individuals/organizations **outside** of Zonta and Centennial **Membership Awards**, Centennial **Local Service Awards** and Centennial **Fundraising Awards** to empower and honor achievements and excellence. More information about these will be provided in the future.

In addition, donors to the Centennial Anniversary Endowment Campaign (CAEC) will be honored during the 2018-2020 Biennium and thanked for their impact on empowering women now and into the future.

## 7. What kind of awards will be granted?

### a.) District / country / club centennial awards

As part of the goals for 2018-2020, the biennium in which Zonta will celebrate its 100<sup>th</sup> anniversary, there will be awards presented by Zonta districts and countries to honor and empower people (or organizations) outside of Zonta who, themselves, have made significant contributions to the empowerment of women. Districts may choose to make more than one award. For each Zonta country, there will be one award made. Clubs are welcome to adapt the concept. Guidelines will be published on [zonta100.org](http://zonta100.org).

Criteria for the following categories of awards will be published early in the 2018-2020 Biennium.

### b.) Centennial Local Service Award/s

### c.) Centennial Membership Award/s

### d.) Centennial Fundraising Award/s

## 8. What is the Centennial Anniversary Endowment Campaign?

The CAEC is an intensive effort to raise money for our Endowment Fund, so that Zonta will be able to sustain projects and programs to meet the needs of future generations of women and girls. For clubs and individuals, making a significant contribution to this fund is a great opportunity to celebrate our achievements in empowering women and girls and a unique opportunity to guarantee Zonta's commitment to service and advocacy in the future. Creating a healthy endowment fund provides the stable base needed to ensure that programs and projects will be carried forward for future generations of women and girls.

## 9. How will we celebrate in November 2019?

With the 100<sup>th</sup> Anniversary on 8 November 2019, there is an opportunity for a special focus, with November to be set aside for clubs, districts and Zonta International to celebrate.

Ideas from around the Zonta world, and for a 'common action' around the Zonta world, will be posted in the 2018-2020 Biennium.

## 10. How will the districts celebrate the centennial anniversary?

Within a framework that ensures that Zonta celebrates as **one** organization (centennial icon, awards, messages, participation in a common action), districts are free to develop their own activities and ideas to celebrate Zonta's 100<sup>th</sup> anniversary.

There are guidelines provided in the PowerPoint entitled '100 Years of Empowering Women' found on <https://membership.zonta.org/Tools/Centennial-Anniversary-Tools> and has been shared with districts.

Each district has a district centennial coordinator and a committee appointed by the governor. The coordinator will work with areas and clubs to share ideas, to enthuse and motivate individuals, clubs and areas.

Governors have been asked to organize an alumnae event and maybe include it in the District Conference in 2019. The anniversary provides an opportunity to contact all past awardees and invite them.

## **11. How will the Clubs celebrate the centennial anniversary?**

Within a framework that ensures that Zonta celebrates as one organization (icon, awards, messages, participation in a common action) clubs are free to develop their own activities and ideas to celebrate Zonta's 100<sup>th</sup> anniversary.

There are guidelines provided in the PowerPoint entitled '100 Years of Empowering Women' which is found on <https://membership.zonta.org/Tools/Centennial-Anniversary-Tools> and has been shared with districts.

An event check list will be published on [zonta100.org](http://zonta100.org) to assist clubs in planning activities throughout the biennium. They may be special events to celebrate the anniversary, or regular events in the calendar, which include the addition of some reference to, and celebration of, the anniversary.

Reporting to the district centennial coordinator with plans and reports will enable the district to report so that club activities can be shared with the rest of the Zonta world.
