

September 2020

Danela Arsovska
Makedonska Prerodby 2-3/4
Skopje 1000 Macedonia

Dear Club President Danela,

Congratulations! **The Zonta Club of Macedonia-Skopje** is an official member of Zonta International. You have been assigned **club number 1999** with a charter date of **22 September 2020**.

We wish you great success as a club! Here are 3 things you need to know to get started:

1. Stay Connected and Informed

Login to the website, review your club account, and familiarize yourself with the tools available to your club.

The Zonta International website is www.zonta.org and is your primary source of information. All Zontians should obtain their usernames and passwords to access information that is available to members only. Additionally, the club president and treasurer have access to managing your club online through your personal My Zonta account.

In addition, every Zonta Club should report a permanent *club* email address. This email address will be listed on the Zonta International website and will be the primary way other Zonta clubs, and the general public (including prospective members and potential award applicants) contact your club. You or an assigned club member will need to frequently check your club's email to ensure prompt and effective responses.

2. District and Area Support

You will receive support from your district governor and area director, who are listed at the bottom of this letter, as well as from Zonta Headquarters.

The district governor and area director are your first stop for advice and assistance. Please feel free to contact them regarding any questions or concerns you may have. Be sure you are enrolled in district and area newsletters as well as familiar with district and/or area websites.

Zonta International staff are also happy to help where needed: please contact us at memberrecords@zonta.org for assistance from our membership team.

3. Zonta International Foundation Partnership

In addition to membership in the association of Zonta clubs worldwide, your club is now an important part of the network of support for the Zonta International Foundation and the programs it funds. Further information on our Foundation and programs can be found here: <https://foundation.zonta.org/>.

Zonta International staff are here to help: please contact us at zifoundation@zonta.org for assistance from our foundation team.

We hope your club's members will participate fully in all opportunities with Zonta to help advance opportunities and improve conditions for women locally and globally -- through your club activities and projects, participation in area and district meetings, attendance at the international convention, and generous support to our Foundation.

Please extend our best wishes to each member of the **Zonta Club of Macedonia-Skopje**. Zonta International has already been greatly enriched by your membership as you join 28,500 Zontians in **Empowering Women Worldwide Through Service and Advocacy**.

Sincerely,

Allison Summers
Executive Director
