

Dear Club President Danela and members of the Zonta Club of Macedonia-Skopje,

It is a great honor and privilege for me to welcome you to Zonta International, and to congratulate your newly elected club leaders. Zonta's 29,000 members in 62 countries around the world believe in making the world a better place for all by empowering women and girls, and we enjoy working together toward our vision for gender equality in a supportive community of like-minded people. We are so happy you decided to join us!

As you embark on your Zonta journey, I hope your club will fully embrace the Zonta mission and the opportunities it presents. Participate in the Zonta Says NO to Violence Against Women campaign during the 16 Days of Activism (25 November – 10 December); develop and foster strong leadership, good communication and meaningful service and advocacy activities within your club; support our Zonta International service projects, which focus on girls' health and education and preventing early marriage and other forms of violence against women; explore ways to promote our Zonta education programs among women and girls in your local community; and make plans to attend your area meeting, district conference or the Zonta International Convention to meet and connect with Zonta members outside your immediate club.

However you choose to participate, please know that the actions of your club have the power to make a difference in the lives of your fellow Zontians and in the lives of the women and girls who will benefit from your local and global service and advocacy efforts.

I hope all the members of your club find great satisfaction in meaningful projects, inspiring meetings, fellowship and fun for many years to come. I look forward to learning more about your club, your projects and programs and the exciting future ahead of you!

Warm regards,

Sharon Langenbeck, Ph.D.
